To All Residents:
Kilburn Vale Estate

Dear residents,

Camden Council is currently carrying out a borough wide audit of all non-residential assets which includes sheds and garages to capture vital information on the status of our assets.

We now have sheds available to rent on your estate priced at £3 per week, which can be used for storage. If you would like to rent a shed please apply online at www.camden.gov.uk/sheds.

You may be using a shed which has been served a notice to quit. Please do visit your shed to check if a notice to quit has been attached to the shed door. At some point our contractor will be attending your estate to change the lock and make the shed available for rent.

Any items stored within the shed will need to be cleared before rental.

If a notice to quit is attached to your shed our records list the shed as void and available to rent. If this is the case and you wish to rent the shed at a price of £3 per week please call the Parking and Lettings team on 0207 974 4444.

It is not our intention to clear any shed area without giving notice to our residents. If you have any further questions please do contact the Parking lettings team who will be happy to help.

Thank you in advance for your cooperation

Tom Mullins
